“ I have many fond memories of Mary Jo, from childhood when we would visit Aunt Emily and Uncle John in Warren and stay overnight at their house to more recent visits whenever I would return home to the Ohio Valley. She was a great person, a loving mother, a super grandmother, a best friend to my sister, and one of those cousins who helps hold the extended family together. She will be missed but leaves behind many, many fond memories. We'll miss her energy, compassion, and love of travel and adventure.

“ Joe, Michelle, and family, I am so very sorry for your loss. Michelle, no mother and daughter were ever closer, and she was so proud of her grandsons. Mary Jo was a good friend to me for many years She was a strong, independent woman who faced every day looking great with her head held high. I learned a lot from her and we had a lot of fun. I will deeply miss having her in this world. May you find peace in your treasured memories.
