I had a wonderful friendship with Mary and lots of good times. We always got together when I was in town the last few years since we have been traveling. “ I grew up running from our house to Mary's. She was such a wonderful woman. She always gave the best advise, such a wise and beautiful woman. My deepest condolences go out to Gary and Susan. Your mom touched everyone lives in such a good and special way. Loved by many, she and your dad will never be forgotten. I wish I could make it in to pay my respects, but she knows in heaven how heavy my heart is.

“ I am so sorry to hear about Mary--she was such a wonderful person and good Christian! I am also sorry I can't be at her viewing or funeral. My 90 yr old mother-in-law is in the hospital in Punxsutawney Pa and we are going up to see her and help her out for awhile as she gets out of the hospital (broke her left arm bone in a fall and a few other problems). I will miss seeing my cousins and their families too. We will all be together one day in heaven with her and Sonny and the aunts and uncles and other cousins and family and friends who are there already and with the Lord!--what a day for rejoicing that will be (as the old hymn says)!!

“ In this time of sadness, I want to express how grateful I feel to have known Mary. I was blessed the first day she walked into the quilt shop; the day our paths crossed, because my life has been changed for the better by meeting, knowing, loving someone so special. Her kindness, love and laughter will always remain stitched close to my heart.

Are there Angels among us? If so, they must be just like Mary.

My deepest sympathies are with you now and in the days ahead.

“ *What a beautiful face and a smile that has not changed since high school. I remember her as being very kind and sweet. Always laughing. It was another time in her journey and I trust she had much more happiness and love in her life.*

“ Mary and I met in Pine Grove after our schools consolidated. We have remained friends for all those years. My wife, Carol, and I enjoyed several class reunions together with Mary and Sonny. We always tried to get together whenever I came back to West Virginia. I will always remember her as a warm- hearted person with a warm and wonderful smile. We have lost a good friend.
