“ We have been friends with Maryellen and Denny most of our lives. We're more like family than anything. Our dad drove the school bus for the Moundsville Christian school and Maryellen would have coffee waiting for dad. We used to laugh about what the neighbors were thinking. Mom, dad, Maryellen and Denny would often meet up for steak night at Undos. Mom and dad even stayed with them in Flagler Beach on their way down to see us in Florida. Michael and Craig are like my little brothers. My brothers and the boys are around the same age. So we just grew up together. When I moved from Florida to take care of my mom, Maryellen and I leaned on each other and supported each other through life's craziness. Mom's illness, Maryellen's cancer, we always found some way to laugh through it all. My heart, my love, and my prayers are with my little brothers and their family. We love yall and we're here for yall. God bless u!!

“ To Craig and Michael, I am so sorry that your mother has passed. I remember many times coming to your house when you all lived on Park Avenue to visit your parents. I regret that I won't be able to pay my respects in person, but will keep you all in my prayers.
Respectfully, John Quayle
