“ *Mr. Ritchie used to come in and get money orders all the time and talk to me at the Sardis Post Office. We used to talk about his wife's family because she was from the area that I grew up. We also used to talk about the old times when you worked hard for a living. I didn't even know he passed away, I sure will miss that old fella, he was such a nice person. I send what little family he had left my condolences.*
