“ So sad to learn about my cousin Jack. He and Clara Ann were always so very kind to me. After I lost my first husband, Tom, every time I looked up, there they were. Just seeing them made me feel comforted. They were also with me when my parents passed away. We have lived in Fl. for many, many years, but think about all of you often. My husband, Gary, and I are thinking of you and your family and wanted you to know how we felt.
