“ To Dawns Family I am so sorry to hear of Dawns passing, she was a lovely person. I had known Dawn from elementary school through high school when we lost touch. I ran into her about six years ago and she was still the wonderful person I remembered. My thoughts and prayers are with you, Vicki

“ Dear Fred and Dawn's family, I worked with Dawn at the Sexual Assault Help Center. Dawn was always a ray of sunshine. She could always make me laugh. I will always remember Dawn making hundreds of crafts for the Center's fund raising efforts at Oglebayfest. She would find pieces of slate and paint them. Her love for you, Fred, was great and she adored her dogs. My heart is sad by her passing. I am glad that my life's path crossed with Dawn's path. You are in my thoughts and prayers. “ Dear Marvin: I was shocked to open the paper and see Dawn's obituary. I am so sorry for your loss. Dawn was by best friend in high school and I practically lived at your house. We always had so much fun. Dawn could get away with anything. We would constantly do things to torment you and you would just sit there and shake your head. The only time I ever got to go on vacation was with your family. You always treated me like I was part of the family. I lost touch with Dawn after she got married and that's something I have always regretted...especial ly now.
