“ Gary, Christina & Freddy Your wonderful Mother & I were school mates from grade 1-12. What an amazing lady she was. We rekindled our friendship At OVMC lab. She never came to the lab without seeing or asking about me. We shared many hugs & smiles. She prayed for my daughter & we prayed for her. My daughter Gwen and I carry beautiful key chains with the 3 crosses that she bought for us. So we think of this beautiful angel with the sparkling eyes & heart of gold daily as we touch these key chains. Sadly missed but never forgotten.
