“ It seems like I've lost track of so many people I knew from when I was growing up in the Ohio Valley. I only knew Brenda for a couple of years when we attended high school a year apart. (she was ahead of me)From my class alone, I've lost track of better than half of the 200+ students that graduated. Most have moved around so much, they just got lost in the shuffle. Now I hear about Brenda's passing and completely forgot her married name when I saw the obituary. Maybe it's because I'm getting old too.My condolences to the family and to all of her friends. My prayers will be with all of you in this time of loss.Dale AlexanderCrest Hill, IL

“ I am so sorry to hear about Brenda, We were neighbors growing up in St. Joe all of young lives. They moved away from that row long before I did. She would be at my house or I would be over there playing. All of her family has my sympathy. She was a good person. You all take care...
