“ *Ann was one of our true treasures here on this earth. I have many fond memories of her at Mt. Olive and at the Community Club functions. Grandma Bayes and her were such good friends. Every time I go by the house I expect to see her sitting there or standing in the door. Her smiling will be the way I remember her. All of you have my thoughts and prayers as you say your final farewells on this earth but know she will be waiting in heaven for you. I am sorry I won't be able to attend her services.*
