“ I'll always think of the good jokes he played, laughs we had & a few fibs we made up. I remember making it back to WV a few years ago and going to Deb's birthday party at 'Coachs'. I've not forgotten walking in the door and giving Winnie a hug, rather than a handshake. That really says how I felt about him. My deepest condolences and I'll miss him very. very much. Dan

“ To Aunt Helen, Cousin Debbie and all the rest of the family: So sorry about Uncle Win. I know he had a difficult struggle with cancer. I remember when he was there at Wheeling Hospital the same time that Mom was up on the 6th floor... I also remember the many picnics that we, as family, shared in Glen Dale at Mary & Dale's... happier days, for sure. Cherish your memories, and you will find that some "little thing" will come along at odd times to make you remember & feel that he is there watching over you. I think my dad will especially take him under his wing in heaven. Anything, anytime, you want or need anything, please, call. Love to all the family, Karen Yurisko Estep and family
