“ Mike and I were friends since high school. We had some of the best times I can remember in my life. He was funny, caring and an all around great guy. He lived with my ex in Porters Falls. My youngest just spent time with them a couple of weeks ago. He always greeted Ryan with a huge hug. He will be very missed. My love and prayers go out to his family and friends and to Brent. RIP my friend.

We talked all the time on the internet. Last week was the anniversary of his mother's dead. He was having a hard time that day. I helped him with some comforting words. It seemed to help some. I'm going to miss that fun loving guy as a lot of other people will. I'm very sorry for your loss. That man was loved by many here in New Martinsville.
