May 28, 1940 - August 5, 2024

Michael Larry "Mick" Mullett of New Martinsville, WV, age 84, born and raised in New Martinsville, WV, passed away Monday, Aug 5, 2024, at Wetzel County Hospital.

He worked as a welder/pipefitter before beginning a local construction business. Later, he worked at Ormet. During his retirement years, he enjoyed running Mullett Campground with his son Mark. Mick loved operating all kinds of heavy equipment. You could find him on a bulldozer out in the rain.

He collected Fords and liked to show off his Model A and Model T vehicles.

He was an inventor, and made a variety of tools and equipment, using things around the shop. He was very generous to many people he met throughout his life. Many people noted how much fun he was to be around. He will be missed by many friends and his family.

Services will be held at a later time.

Arrangements entrusted to Grisell Funeral Home & Crematory, 751 Third Street, New Martinsville.

“ Although I haven't seen Mick since I was a child, I remember him fondly. I used to tag along with my dad, Gary Lashley, he used to work for Mick on and off. I also used to visit with my aunt Angie Moeller and grandmother Dottie Lashley. I'm sure he will be missed by his family. Prayers for comfort at this time.

“ Every time I saw Mick he spoke. Mostly at McDonald's with the guys for breakfast. He was very nice, polite and such a gentleman.
