“ I remember your nickname as a kid. I think you gave it to yourself, Little Tuffy. Dad, Uncle Tuffy to you, used to tell us girls to hide our favorite toys when you were coming over... . I can't imagine why. ;-) I hope you're at peace, Cousin. Much love.

“ *I knew Mike for only a year, but will remember him for a lifetime. He was a great mentor and friend and I could never thank him enough for everything he taught me and for taking me under his wing like he did. Whether it was for work or for hobby, I learned a great deal from this man. To top it off he was such a funny guy who would always make us laugh. Words cannot express the sympathies I share for your loss. Mike you will forever missed but never forgotten.*
