“ *One of the neighborhood moms. I will always hear "Now girls...". We were always up to something. I got the biggest kick out of her honking her car horn while we were out on the trail. We all knew it was time to get her daughter Home. My kids considered her a grandmother, I will cherish every photo I have of her with them.* ❤️

“ I'm Betsy Williams. Thank you Mickie for some of the very best memories. I will never forget riding horses with Charlene. Riding to your house in the snow on my paint horse catching snow flakes in my mouth. I always thought you were so pretty. You will be missed by family and friends.
