“ Was fortunate enough to have taken Dale many times to and from his dialysis treatments as part of Faith In Action Organization. I think our trips and conversations were of as much benefit to me as the transportation was to him and his family. What a swell fellow who will be missed by many.

“ To Dale's family,Dale was my boss at Mobay/Bayer for several years and he was the best boss that I ever had. I don't think there was a better person on this earth and I think that everyone who worked with, or for him, would tell you the same thing. I am so saddened to learn of his passing but thankful in knowing that he has a place in heaven waiting for him.My condolences to all of his family.In Christian love,Dan Knowlton

“ *My condolences to the Miller family. I worked with Dale at Mobay/Bayer for close to 30 years. He was a real gentleman of the highest caliber. After we had both retired I would see Dale now and then when I would go to his son's (Duane) office. We shall all surely miss him. My prayers go out to the Miller family. Dick Bonyak*
