“ Pappy Dave has always been a great person. He would always drive up to our house, sit outside and blow the horn for us to come out. He would always tell us that he is very lucky to have such good looking grandkids, we know that he loved each and everyone of us, as he did everyone he knew. Pappy knew and loved alot of people, even strangers he would help. We already miss him so much and now every time we hear a horn blow outside of our house we're automatically going to think of him. We've never had to deal with a loss until now and with losing Pappy (the best God could take) now we understand. Pappy is in a better place now where he and God can take care of so many, that's what he's used to doing here and I know he's already doing it in heaven too. We love you Pappy and you will NEVER be forgotten, miss you much already..I'm still holding on to your hand like I did in the hospital and I know you will have our hand throughout our lives.

“ My condolences to Dave's family. I am Dave's first cousin living in Richmond, VA. I only knew Dave as a child since I moved away from Ohio when I entered the army in 1967. I do remember Dave as kind and gentle (given that he was a football lineman in college). I know he leaves many friends along with his family. Dave, may you rest in peace. “ I met Dave when I was 6 years old, he took me under his wing and I have been there every since. He's been a excellent father and pap to many of us. The Lord decided to take him away to celebrate with his family above while our hearts are breaking down here, but that's okay because I have no doubt that one day we will be together once again. He has always been someone that you could talk to, tell anything and he NEVER held right or wrong against anyone. He was the only man I ever knew that would go completely out of his way to help anyone~family or strangers. You are missed alot already and we love you so much, we're all lost without you. I never thought a person could hurt so much but let me tell you, my heart is broken along with everyone else's... ~You will never be forgotten~

“ *The first time I met Dave was in 1981. I always thought of him as a big teddy bear. He helped me and my 2 daughters so much. I cleaned at the Duck Inn. I have so many good memories of him. He was a good friend. I have so much love and respect for him. There will never be another "Dave". R.I.P. my friend. I will always remember you and miss you. Just knowing you are gone breaks my heart.*

“ *This is a real heartbreaker! I was in business with Dave at the Duck Inn and have been his dearest friend since 1978. We have had so many wonderful times together through the years, so many great memories that I will cling to forever. Michelle is just like my own daughter too. Honey, I love you. God will pull us through this as he has so many times before. Dave was always my rock and my best friend. I loved you so much. May God surround all of us with his love. Dave, I will miss you so, so, much. Always, Lynda*
