“ Carol will be missed by many people. I have only known her for 2 years, but considered her a very good friend. I will always remember her at lunch with her apron that she always wore and her beautiful smile. I know she is in heaven and at rest, I pray for all of her family.

“ Carol was my classmate, and actually my first girlfriend. I can remember when "Doc" brought her out to our farm on Rt. 7, and she and I played in the hay barn — that was either in '51 or '52 — dad sold that barn in '53!! I was fortunate enough to get to see Carol again this past July at our 50th. reunion. I'll certainly miss her, and I pray for God's tender mercies to provide her with a safe lodging, a holy rest, and peace that will last forever. My condolences to all Carol's family members.

“ We grew up with Carol (and the Halley family) in New Martinsville. Our sympathy to each and every member of your family. Our memories of St John's church, MYF, Magnolia High, band, majorette, and the Halley clan are fond memories. May God be with you all.

“ *She was my only sister and much a part of my life. She was the oldest of 4 siblings (3 borthers). We grew up in New Martinsville but we all eventually moved away. She was into Nursing and got her Masters in this. Nursing was a great part of like as she helped many people. She took care of her ailing Mother until she she was placed into Assisted Living. Carol lived her last years in Moundsville. We will miss her.*
