“ One of the kindest, soft sweet voiced person's heart stopped beating here on earth and joined her precious mother and father I'm heaven with Jesus and all her loved ones. I have known this precious lady all her life and so grateful that I could call her my friend. Dear family just know that though unable to attend the funeral, my thoughts and prayers are with you through this trying time. I will always remember Monica until I die and then I will see her in heaven is a wonderful hope. I know for sure that heaven is much sweeter and more beautiful with this sweet soul there. Being absent from this body is to be present with the Lord. thank you sweet Jesus for that blessed assurance. God Bless the entire Miller and Chisler family. Sandra Haught Moore.

“ Monica handled some of the logistics for several of our can stock customers in the late 80's thru the mid 90's at Conalco/Ormet, and it was very pleasant to work with her as a Technical Rep. She continued to be active when the retirees got together, and her presence will be greatly missed by those who remain. A very nice person!

“ Jimmy & Staci, keep her in your heart always, she was a very special lady. I know she will be in mine and the girls that used to share our get to gathers on the river bank. We would have weiner roasts and watch the Delta Queen go up the river, also we would meet at the Pizza Hut to enjoy lunch with a lot of pizza. We worked together at the plant for years. Like I said, She was very, very special lady.
