“ Although I hadn't seen Mikel since my final year at Alpha 1 he will always hold a special place in my heart. I remember his first year at camp and the spirit and enthusiams he brought to everyone. He was truely a good spirit, kind to everyone, wonderful with new and younger campers, and spread happiness to all.

“ Alison, Madison, Carlo and Mustachio Family, Words cannot express the sadness I feel for all of you. Although I didn't know Mikel personally, I had the pleasure of meeting him a few times by way of Madison! I do feel confident enough to say that he was a very special person and will leave many wonderful memories in the hearts of those who did know and love him. Madison just adored him and spoke of him often. He will be missed by many, but forgotten by none. My prayers on your journey to healing...

“ As I spend every summer of my life at 4-H camps, I can't help but to always remember my days of being a camper at Alpha 1. Mikel was part of my summers for so long for so many years that there isn't an Alpha 1 that I don't have a memory of Mikel being there. He ALWAYS bought smiles and laughter to everyone that he was around. I wish we would have stayed in touch after we aged out, but like all 4-H friends, we will forever be connected to each other. My heart breaks for Mikel's family, especially his children. But I'm sure they will know how wonderful their father was and what an impacted he made on all of our lives during our summers at Alpha 1.

“ Nick, Emily and family. I worked with you Nick at Sherm's Hair & Co. in Wheeling years ago. I've been out of the area for years, even before you started your family, (unless you count Fozzie who got off the bus in Wheeling.) A life cut short is never to be understood, but understand that you are loved, by thousands of friends and by our Lord above. I wish I could be there to give you this hug in person, but know your family is in my prayers. My heart is heavy with the burden laid at this family's feet.
