“ Dear Ashley and family: I am saddened to learn that your grandmother has passed. I know that she, like my mother, has passed on to a better life. Please let your mom know that I am thinking of her. We were not in town when the obituary was listed, or we both would have paid our respects. God bless you with a clear and meaningful memory of her. Linda and Jim Brinkman

“ Sorry I didn't make it to the funeral home to see Dorothy but no one was available to stay with my mother for me to go. I thought a lot of Dorothy. She was so good to me over the years. I know she didn't know me when I would see her at the home. It was sad, but she is at peace now. Dorothy will always have a place in my heart and memories.
