“ Her son was my bus driver and then became my children’s bus driver. She would wait by her big window facing the road for our bus to come through so she could wave to her son. Years later as I would come through around bus time, I would see her standing by the window waiting patiently, watching for the bus. Always made me smile. The Masons were sweet, hardworking people and I’ll always remember them. Many prayers to their children, grandchildren, family, and friends.

“ Nancy was a long ago, sweet and fun friend of the neighboring “Snook” Harler family...out on Roberts Ridge. As a teenager, I came to know Nancy & John through Lyn Harler, a fellow MHS Band member. I always was glad when some of us would walk up that hill to see the Masons! I knew we’d be laughing! I extend heartfelt condolences and prayers to the family of Nancy Mason — and am so sorry for your loss. She was a bubbly, happy woman with an easy, wonderful laugh. Her daughter, Mary Kay, has that same instant laughter. And even when I look at this photo of her I see a small, sly smile that is about to burst out laughing. Nancy Mason shared her God-given joy with so many. What a long life she was given by God.

“ Several years ago, I took a box of photos to Nancy that were left by my aunt, Mable Robson. My mother didn't know who they were, but Nancy certainly did. They were her parents at an early age. She couldn't wait for her sister, Retha, to see them. My mother didn't know Sally Guthrie as a young woman and therefore, the confusion. Nancy's grandmother, Retha Currence and my grandmother, Addie Currence, were sisters. Small world.
