“ *Sherry and Lori, I am so sorry to hear of your Mom's passing. I remember growing up with you and your mom always having the best snacks when I was at your house. I also remember her being a very hard worker, always bustling around getting things done. She always had the prettiest complexion too! I hope your memories of her will help you through this difficult time as she is resting easy with our Lord and Savior.*

“ *I was very sorry to hear about your mother's passing. I considered her one of my 'late in life' buddies. When the 3 of us went to dinner in recent years, Nancy was always easy to be around, a woman who knew her mind, and a bunch of fun! She will be missed by anyone who knew her. Rest comfortably, girlfriend. Carolyn*

“ *Nancy was beautiful woman. She and I had so many talks. Laughs and a few tears. She was always concerned about how others were doing. We enjoyed many cups of coffee and a few donuts.....but best of all the talks. Sherry and Lori my condolences to you and also my thanks. Thank you for allowing me to be part of your moms life. She is in the hands of our Lord and Savior and for that I am grateful.*
