My brother Wayne and I picked strawberries for Nancy's father for several years. Nancy was always kind and would often bring a ham sandwich and Pepsi into the field for our lunch. I was in school with her for her for eleven years and remember how bright she was God's gift to many. Nick and Edna had every reason to be proud of their daughter, and they were! Best to Claude and family. Rev. Dr. Alan Beaver, Tampa, FL

Very sorry to hear of Nancy's passing. Remember her riding the school bus when I was in school. Also going to her house many times to buy strawberries that her family grew. Sympathy to Claude and her sons.
