“ John: I just heard that Nancy passed away. Words cannot describe how much I appreciated this wonderful lady, Throughout my lifetime I have never met a more caring and loving person than Nancy and she is at the top of my list of God's top greatest ladies. Anytime you came face to face with her that beautiful smile of hers would wipe away all of your troubles and make your day. I am forever grateful to have been her friend and will cherish her kindness and loving manner to me forever until my time comes to leave this earth. These same feelings apply to you John as you are a true example of what we should be doing daily to help others to cope with this changing world. God Bless my friend and give my blessings to Brad and your family.

“ *John, Brad and family,
Nancy is the definition of a beautiful soul. She was one of the most caring persons I've known...always asking for prayers for someone else. I am sure she is praying for all her family, friends, and church family from her place in Heaven.
My prayers, love, comfort and strength to all the family and to all who knew and loved her.

I was so sorry to hear of Nancy's passing. One of my memories of Nancy was the two of us walking in Fourth St. on football Friday nights in our majorette uniforms thinking we were really something. We'd discuss the halftime show we were going to do, the latest school gossip, and probably boys. Good times. David and I extend our deepest sympathy to you, John, and the family.
