I just wanted to share a few pictures of me and "My Nana" This woman was such a bright light in my life! She always had a smile for anyone who walked in her door! And if you didnt have a smile on your face she cracked a joke so you would! My oldest son always tells me he regrets not taking her up on her offer to go zip lining with him when she offered on her 100th birthday! They were going to be in the Guinness book of world records they would always say! She will be missed dearly by me and my children! They were always the first to ask if we could go by her house! She left footprints on all our hearts and if you knew her you know what I'm talking about!
