“ Terry and Family:I was sad to hear the news as times like this are very difficult to endure. However, know that your mother is at peace and her mind works beautifully now. As us mothers do, I'm sure she will spend her next lifetime preparing heaven for your (and your family) arrival. I will pray for you, your father and the rest of the family at this difficult time.Cindy Reichek

“ I know I only knew Dolly for a short period of time (speech therapist at Wheeling Hospital), but I could tell there was something special about her. She was so sweet, kind & had the most beautiful smile. Everytime I would mention my dad's name (Gary), her eyes would light up & she would get a big grin on her face. It was a pleasure getting to work with her, getting to know her & her family. She will not be forgotten & will be in my thoughts & prayers.
