“ I grew up with Roxy as my next door neighbor on Anson Street. We shared a side yard. She treated my family as if we were her own. The last time I saw her she held my hand, and called me by my childhood name. I loved her my whole life!

“ Pam and Robert: We'll always be thankful for the great care Roxie provided to our mother, Mary Lasure. She was a shining light in Mom's day and ours. We share your sympathy but hope it helps to know she'll always be remembered for her "mothering" others too. Garnet & George Persinger for the Lasure family.

“ We were saddened to learn of your mothers passing. She was such a wonderful & sweet lady & I always enjoyed chatting with her. She had great joy in reminding me that we shared the same birth date! I wish I could be there to be with you all during this very difficult time. May God bless her & your family & we hope the memories you have of her will comfort you in the days to come.
