“ *Nick was a great man. Always a smile on his face and a joke to listen to when you walked into Our Place. He was so proud of Emily and his kids and grandkids. Emily I am not sure if you remember me but you was my Home Ec teacher in High School. Nick cut my hair for years. I was shocked and saddened to hear of his passing. He will be greatly missed.*

“ I think I have know Nick forever! He started perming and cutting my hair before Jim and I got married and we've been married for 31 years. He also had a joke to tell and a smile for me when I came into Our Place. He talked about Emily and the kids all the time. He was so very proud of them. When he became a grandfather, you could see the love in his eyes, just talking about it! My heart broke for the family when his son died and now it broke again for Emily and the family. He will surely be missed.

Nick and Emily were in my sister's class at RW (two years older), what I remember most about Nick was that he always made a point to say hello whenever we'd pass in the hall. That meant a lot to us younger ones. I truly great person. I was truly blessed to have known him. Our thoughts and prayers with Emily and the family.
