“ I have watched our family circle dwindel to the loss of so many of our loved ones. It is very hard to say Goodbye to yet another. How can one put into words the love and admiration that I had for you Auntie M. The fun loving carefree days of my childhood spent growing up with You and Aunt Shirley. I know that the Lord has better things waiting for you. Your life has just begun!! We are left with only memories, some good some bad, but oh the fun we had going down the path of life. What a run!!! Huh? I know that you will all be waiting for each of us to come home .We will come full circle once again. Just know that you were loved deeply and will be missed greatly. Until it is time for me to join you , how about keeping the coffee warm !!! You were a wonderful lady. I will cherish you for always. Love Your Niece Sharon
