“ It was so sad to hear of the passing of a classmate. Nila was a nearby neighbor, we spent a lot of time together as children. I moved away soon after graduation and saw her only a couple of times when back home visiting. We enjoyed seeing each other. Prayers for the family.

“ Amelia, Carolyn, Betty and Clem,
I am so sad to hear of your mother's passing. I have so many good memories of her, especially from 4-H. She always did the most fun things! The best was the Christmas caroling in the back of the hay wagon.*magic*
She was truly a kind, good -hearted lady, who will be missed by all who knew her.
May God give you and your families comfort in the days ahead.

I was in high school and Nila (soon to be my sister-in-law) worked at Murphy's . Twice a week my brother Ben gave me a love letter to deliver on my lunch hour to Nila twice a week. She would then give me one to take home to Ben. The rest is history.
