“ Dear Jerry and Brenda and all of Nora’s family,
We are sorry to hear of your Mom and Grandma’s passing. When I think of her in her younger years I remember her being comparable to the “Energizer Bunny”. She was such a super grandma to you Jeremy when you were in Kindergarten. I can remember her when we used to come with Dad to help Oran with the kitchen in the new house. She was always so much fun when she was there. I also remember thinking she was such a special nurse when she came in in her white uniform. Prayers for you all as you lay your dear one to rest. Can still see Nora pushing her pill cart down the hall. Nora was very kind to all. I really enjoyed working with her.
