“*I've often looked around at people and wondered who would be the ones so lucky as to see the face of our Lord Jesus someday. I didn't know Dany very well, however, I do know one thing, when I looked at her I seen the beauty of a precious human being who will see the face of Christ. Dany was love and love was Dany, a gentle soul that God used to let us know he is here.*

“ Steve and Kim, I couldn't even imagine the pain and loss of your wonderful little Angel, Dany. Who God took away from you, way to early. She is in no more pain from that awful illness anyone could have. She has been a very brave and strong little girl through this awful battle. She is in heaven with the rest of her loved ones that left you all way to early. Dany and her brother are playing games and catching up on life. God will comfort you in the pain and lose. My **THOUGHTS** and **PRAYERS** are with you all. May **GOD BLESS** you all !!! Love to all.

“ All my love goes out to you Steven and Kim, I pray that God will give you comfort in this difficult time. I know she is smiling down on you free of sickness. I'm sure she was met there by so many others who left us too soon. I can't help but think mamaw and pap are giving her hugs and she is meeting with her brother. We one day will be in that beautiful place. He takes the best.

“ *Dany was a beautiful courageous girl and our family was blessed to have known her. She was a very good friend and will be deeply missed. We will never understand why her time on earth was so short, but we must trust that, although we'd rather have her with us, her work here was done and she has been rewarded with everlasting pain free life in Heaven. Faith will allow us to join her someday when our work is done. Keep the faith and may God bless her family.*

“ *So true Pandora, Steves family are also in my thoughts and prayers, may God comfort all of you with peace and let you all feel his presence and Dany's love around all of you, God is so awesome, and it is amazing how he can take one adversity and make it good I know that from experience when I lost my son, and it is ok to ask why, God is our prince of peace and he will be there for all of us. Your sister in Christ.*

“ Ollom Family, my deepest sympathy to all of you. I have trouble understanding death, but someone told me once that God does not just want just old people in heaven. Dany is in heaven looking down on us with her beautiful smile. May those memories sustain you during these most difficult times. In Christian Love, Pandora

“ Aunt Sherrie loves you so much and I will never forget your smile.
