“ *To the Gallagher Family:*

I am so sorry to hear about Mr. Gallagher.

Please know that you and your family are in our thoughts and prayers during this very difficult time.

When I was a freshman in college I needed a suit. Mr. Gallagher and Domenick Donzella sold me my first suit at Crone's in Wheeling and Marty Purpura sold me my shoes. They were great.

Mr. Gallagher was a real gentleman, and I will always remember him for his kindness.

With deepest sympathy,

“ My sincere condolences to Bill's beloved family in the loss of your loved one.
Bill and I were classmates at Union HI School Class of 1957. Bill was a fun person to know. He played basketball for the Iron Men as schools mascot was known.
Even back in the day Bill was a " cool" cat as our slang called good guys. He remained always impeccably dressed. We came of age with Elvis and all the greats of the mid 1950"s. A golden age of innocence and great music. Bill played the drums in our HS band and we always his solo performances at assemblies.
Bill was always a gentleman as a young man and great dancer. I only saw him few times after graduation at our class Hi school reunions.
May all of you be consoled with your finest memories of him. May he RIP.
