“ Wanda, Sherry, Randy and Families..I was so sad to hear that Freda had passed. She was a very loving woman and a dear friend to mom and our whole family. Mom loved Freda as one of our own family. Our whole family was close to Freda's family and we continue to enjoy each time we happen to bump into any of them. I wish you all well and know that we are but a phone call away should anyone need us.Pam Yurisko

“ Wanda, Sherry, Randy and all the Family,So very sorry to hear of Freda's passing. She was a lovely lady and such a good friend to my mom, who loved her dearly.Freda loved mom's cabbage rolls, as well as the ones at Young's Cafeteria. So, when mom made them, Freda would get a couple too, to Freda's DELIGHT! :) Other times, when both their health conditions permitted, she would pick Freda up and take her to Young's.When mom was on the 5th floor at Reynolds I would wheel her over to Freda to "visit". We grew up next to Freda and Paul and were friends with all the family.May you find comfort in knowing she led a very long and full life, and you have friends and family who love and care for you and keep you in our prayers.Karen Yurisko Estep and family.
