“ To all of Pat's family today would have been Pat's birthday and I was trying to locate her to send best wishes—and find myself writing her family instead. I worked with Pat for many years at Venice Hospital. An intelligent and compassionate nurse who always had love and pride for the three of you, Tracy, Scott and Stephen. Your mom (and sister) made a huge difference in the many lives she touched. May she rest in peace. And may you have good memories of a loving mom.
