“ *Rich, Tammy, Tim, Tonya and families, Lee was one of the wisest, patient, loving people I've had the pleasure of knowing. She was one of the special people that introduced me to Christ and continued to challenge me to think deeper and outside of the box over the years. I could never keep up with her intelligence. Although long periods of time passed without me seeing Lee, I always held a special place in my heart for her. I loved her dearly and pray for all of you to get through this difficult time. Know she loved you soooo much. Her family truly was her life. Love, Grace*

“ My grandma is such an inspiration to me. She has taught me how to be strong in the worst situations and how to love with all you have. She also taught me how to treat others with respect even if they treat you badly. She was devoted to God and prayed for everyone but herself. She is the most kind hearted, caring, loving person I know. She would do anything to make the world a better place to be. She has touched the lives of so many people. If I grow up to be half the woman my grandmother was I would be the luckiest person. I love you grandma so much. Fly high and it's not goodbye, it's see you later.
Kisses and lots of love, your little princess.
