“ Sending prayers to Patsy's entire family. I didn't know Patsy very well, but I do know his brother Joe and his brother Frank well. I have heard wonderful things about their brother Patsy. He was so friendly and warm when I would see him on the street. My heart goes out to Frank and Peggy and their family, , and my very special friend, Joe and his family right now. I know they lost a treasure.

“ Dear Sue and Gary, I am so sorry to hear of your Dad's passing. All those years we grew up right across from you on Glenwood Avenue. Jimmy and Johnny were a part of our gang. You were the older sister. I probably saw your Mom and Dad every day of my life. I delivered your paper for years. You were a wonderful family and I am thankful to have known your Dad. May God's peace overwhelm you at this time. Enjoy the many, many wonderful memories. May they bring you joy in the years to come. Signed: The Boy Across the Street, Jack Clegg (Though you all called me Jackie).

“ So sorry about Patsy. Like anyone who lives to his age and has children and grandchildren, there are a lot of stories and memories. What I remembered (and envied) most was his competitiveness. It was always a pleasure to compete against or umpire his softball games. My thoughts and sympathy go out to all the family and friends of the man named "Patsy". I'm sure he'll be missed and remembered by many. Thanks for being a friend, both on and off the field.
