“ From the time I was 11 until I was 18  
If you saw Tony you saw me..... we were together practically  
everyday.....  
A lot of good memories and laughs I will cherish forever.....  
As life goes we drifted apart but if we ran into each other we never  
missed a beat and talked about old times....  
Kathy I'm sorry but thank you for treating me like one of your kids  
when I was around you giys
