“ To Paul's family...hearing of his passing I remember all the 'good' memories of International Harvester/Shadyside days when those hard working men really kept the plant 'humming' along and IH stampings out the door. Great guy, friend to all and...a really hard worker. Paul used to always talk about his family and how proud he was of his kids and his daughter Lana being a SHS Majorette in the 'Tiger' marching band. Keep his memory close and the happiness you had all those years. Great reunion in Heaven. sue junkins
