“ So sorry to hear of Paul's passing. I enjoyed working with him at Elby's in New Martinsville, WV and talking to him. He was also our neighbor for years in AAA. Very sweet kind person.

“ Was so sadden to hear of Paul's passing-- I enjoyed talking to Paul and working with Paul at Adena. We talked about cooking several times-- Paul helped to make Homemade noodles with me at Adena and Paul taught me to put mustard in bake beans which I still do. Love and Prayers sent Paul will be so missed.

“ Corky, as we all knew him growing up, was part of the neighborhood kids on Kings Creek in Sun Valley outside of Weirton. There was a bunch of us and we had great times. He was always laughing and pleasant. The last time I had the pleasure of seeing him was at Elby's in New Martinsville where he was working. He was so happy to see us and the feeling was mutual. I was always impressed by his ability to play the organ. I've thought of him many times through the years. I extend my deepest sympathy to his family and his friends. I know he will be missed.

“ Paul aka "corky" was my cousin and he spent holidays with us. He was just such a caring and generous person. He loved his family and truly cared about others feelings. Corky amazed me always. He was born with limitations but taught himself to play the organ well. I find comfort in knowing that he is with his mom and dad again. They lived for him and I'm sure they were awaiting him. I'll never see a Christmas tree or Elvis again without thinking of him. See ya on the bright side,Buddy. RIP

“ Paul was a great friend to all and made an impact on any one who met him. He was full of life especially when he was talking about Christmas, the carnival or telling stories about when he was younger. Today will be hard for so many because he truly touched the hearts of everyone around him. We will miss you ❤️ Carrie and your Adena family
