“ Paula was a free spirit with a generous and loving heart. She always loved my kids from the time they were babies and that love continued on to their children too (Lilly). She took every opportunity to spend time with them and she NEVER showed up empty-handed...she would always have armfuls of presents when she arrived. Paula brought such joy to so many, but none more than her mother. Wanda, we're here for you. Paula, the world will miss your free spirit and generous heart.
