“ *While growing up in Duffy, Pauline was our neighbor. She was so sweet and kind. My sister and I would go to her house very often to borrow an encyclopedia book to do our home work assignments, as we did not own one. And this was very often. She was always kind and gracious to us telling us to take our time. That made such a great impression on me. I have never forgotten how sweet, kind, and generous she was to us. The last time I saw her was at my mom's funeral. She had not changed from how I remembered her. She was the best neighbor anyone could want to have. God gained a very beautiful angel.*

“ So sorry to hear about the lovely Pauline's passing. My sympathy and prayers goes to Joe, Joey, and Connie. I was blessed to know Pauline while she worked at Contractors Supply Corp. of WV., Inc. at the New Martinsville, WV plant. I worked in the Wheeling plant and we instantly became phone friends from 1973 to 1992 when the plant closed in New Martinsville. I would get talk to Pauline everyday, but never knew what she looked like until 1984 when she came to the Wheeling plant and brought me a baby shower gift. We kept in touch over the years, with phone calls, and Christmas cards. She truly was a lovely, kind lady. Our Dear Lord was blessed on Monday, November14, 2017 with an angel. Forever Friend, Betty Jo Cline
