“ Peggy, my sweet cousin, I will forever cherish our childhood memories. We played and used our imagination in every way. I remember you making me a pretend horse with a tobacco stick and string and we rode horses all day long. It was always fun, when we had sleepovers. We loved to dance and Parkton was our place to go. I could tell a few more stories, but I was happy we had connected again and I got to tell you how much I loved you! I will keep our memories in my heart forever. Rest easy sweetheart! Love you forever, Brenda Bunnells Walters
