“ *Penney took such good care of my smother in law at Altenheim. She was a jewel in her own right. She and Bill were a great team and I know will be missed by all who knew her. Kind, jovial, pleasant, giving—all these gifts Penney gave to others. My prayers for Penney and the family! Lanie Norteman*

“ *Bill and Family,*

Thinking of you in this time of loss and praying precious memories of your wonderful Penny will be a blessing to you for many years to come. My mother, Libby, lived at Altenheim for fourteen years and loved every minute of her time there, and she especially loved Penny and you. Altenheim was the blessing of my life because my mom was treated like a queen and she was happy. I am forever grateful and will never forget what a wonderful place it was.

*Sending my heartfelt sympathy,
