“ My deepest sympathies to your family. I haven,t seen Phil in a long time... he was our mechanic on shift at Kammer a long time ago. I just saw the notice and have added you to my prayer list. May God comfort you with His love. Phil sure did like hunting... between he and Larry I think I know how to track, shoot and field dress a deer and prep it! Lol... that is saying a lot for a girl that doesn,t hunt....lol.

“ I grew up with Chris and Dave, living next door to Phil. Too many memories to list all of them. I am sad that he is gone, but I will never forget all the things he did for all of us kids growing up. I spent many an evening sitting on his front porch just talking through out the years and I will miss that. Phil may be gone, but he will be remembered by those of us that got to be part of his life. I'm glad I was one of them!

“ We are very saddened to learn of Phil's passing. We considered him a very close friend to our family. We last spoke with Phil on Thursday when he visited our office. Phil was so important to us that he even spoke at my father's funeral 7 years ago. He will be deeply missed by our entire family. It just will not be the same without him. Best of luck to his family. He often spoke of his sons. We wish you strength to get through this. Good buy Phil. We will always miss you. Tim Wilson and Family, St.Clairsville Oh
