“ I remember being in the hospital for 14 days and this beautiful woman from housekeeping would come into ro with a bright smile and a twinkle I'm her eye. She was so precious to me. I enjoyed seeing her while pregnant and trying to get my diabetes under control As time wore on and depression set after being there so long. I got to know Phyllis quite well. We shared our faith and she prayed with me. She was a great gift from God. Debbie Ice Yurisko
