“ Mary, Gary, and Susan, When I reflect on growing up, Sonny is one of the personalities that never fades. He was always there. He was the one that welcomed me onto the Smithfield little league team when I was 10 years old. He was one of the biggest encouragers to us all - along with always having something ornery to tease us about. Sonny had a great impact on many of our lives. I am sorry for your loss. God bless.
