“ Even though I only cared for him for a short period of time Colin grew on me. His stubbornness was one of a kind. I'm sure going to miss him and work will not be the same. My thoughts prayers go out to your family everyday!!

“ Heather and Robby, I am so sorry to hear of Colin's passing, he was a great person and was always fun to be around. He loved his family more than anything. I remember when you two were in kindergarten he would go to school and look through the windows to make sure you were okay. I enjoyed working at the shop and we always had a good time. I went to see him and we had a nice visit, he talked about you two and his wonderful grandchildren, he sure was proud of his family. Tony and I send our love and prayers for your families, God Bless
