“ Sad, to hear that another one of our Clarington neighbors, has passed.....this took my memories, back along time ago....when we all were starting families .....& seen each other almost every day.....our Mike's were, born, when we lived across from each other.....at the bottom of 556 .....before the highway went through.....we visited all the time, would see our first borns, walk, & play tog....we had some good times .....being just Moms to our kids.....Back in those days, we knowed everyone, in Clarington.....it was a good time to be raising our families.....Rest in Peace Carol, & may all the family be together, at this time.....I will be thinking of you.....Margie Speece ....Mattone

“ What a wonderful person Carol was. I know she will be greatly missed.  
Dan and I have many memories of her through the years but what stands out to me is her smile. She always had one for you. She made you feel special and a little happier after talking with her. She was always a wonderful friend to Esther. Now they can visit in Heaven.

“ *What a sweet, wonderful person. She loved everyone and, they in turn, couldn't help but love her. Eric still talks about the extra treats she would make for the sport teams. Heaven definitely gained a special angel. It won't be the same at River Basketball games and look to the balcony where she and Bill sat. She was River's favorite fan. River will miss her. Love and prayers to the family and especially to Billie and Dan and their families.*

“ I used to babysit for Mike and Billie Anne, two great little kids, and now two great adults. Carol gave me many many many years ago a little heart necklace, I wore it almost every day since she gave it to me..I wore it work one day and the clasp broke, I knew it was a sign to have it repaired and give it back to her for Billie or a granddaughter. When I took it to her, she was as surprised as could be that I still had it. Carol also made the best popcorn balls EVER and her cornflake cookies, she made for my late Mothers luncheon wake. Carol was easy to get along with, never heard her complain or gossip, never heard her raise her voice at Mike or Billie, but I'm sure in her own way she did. Carol married into our long list of relatives and although I never got to see her as much as I wanted, for which now, I am paying the price, I know where she is and she is safe with God. Carol you were very much loved by the Liniger Family. You won't ever be forgotten by the 3 of us that are left. Loved you so much!!!..Pamela Liniger Burlingame.

“ Aunt Carol was so kind and gracious to me and my family when our Mom passed. She & Uncle Bill and the family took us in and helped us through every step of our difficult time. I am so sad that she is no longer in this world to love and support all those around her, yet so happy for her that her pain is gone and she is in the loving arms of her Lord. I know she celebrated a joyous reunion with her parents, brothers and sisters. We miss you so much, Aunt Carol. May God give strength, peace and comfort to Bill, Billie Ann, Mike, and Dan and their families. Our thoughts and prayers go up on their behalf.

“ Carol was a kind giving person she always had a smile on her face and always gave me a hug when she saw me. She crocheted afghans for my grandchildren, which I still have and cherish. Carol was a wonderful mother and doting grandmother. She will be missed by so many, but especially her family.

Sharon Christy-Smith - August 01, 2016 at 02:03 PM

“ *She was an angel on earth and Gid finally called her home. There isn't a kid that grew up in Clarington who didn't look forward to her cornflake cookies and popcorn balls. She cheered on every child in sports as if they were her very own. Words cannot express my heartfelt condolences for the family. She will truly be missed.*
