“ *My family lived next door to the Murphy's in 1963. He had terrific parents who were so much fun and his mom, especially, was one of the prettiest women I'd even seen. He was a cute and sweet little boy and I know that his entire family will miss him terribly. On behalf of what is left of my family I extend our deepest sympathies and condolences to one and all.*

“ I was Randall's 1st grade teacher. He was one of my best students. He was 1 of 6 students that I could have taken through all of the 1st and 2nd grade materials that year if we hadn't had the other 20 students to work with. He was well- mannered, and one of my favorites. It is sad to see him go beforemebeforeme

“ We were saddened to hear this but glad he is suffering no more! When I told my grandson Trail he said "Awwww he always gave me gum!" Randall used to be at our house almost every day & he would make sure he went to Ables first to get juicy fruit! May he rest in peace. Prayers to the family.
